TREATMENT OF MINORS, PATIENTS WITH A MEDICAL POWER OF ATTORNEY or THOSE REQUIRING A CARE GIVER

A minor is considered to be a person under the age of eighteen and must be accompanied by a parent, legal guardian or court appointed custodian at each visit. Individuals with an existing power of attorney, who are no longer able to make decisions for themselves are required to have their appointed agent present at each visit. Individuals who require a care giver or reside in a care facility are required to have a care giver present throughout each visit. These requirements have been established in an effort to maximize the benefits of the care we provide and the outcomes to our patients and to comply with State laws. In the event a patient meeting any of these criteria arrive for a scheduled appointment without the required individual, the appointment will be rescheduled.

ACCOUNT GUARANTOR AGREEMENT

I hereby authorize Waco Foot & Ankle, P.A. (WFA) to administer such treatment or procedures as are considered medically necessary on the basis of clinical findings. I request the assignment of any and all insurance benefits directly to WFA. I agree to pay any charges incurred and deemed patient responsibility and any charges not covered by insurance. I understand that the use of a check for payment is my acknowledgement and acceptance of the terms outlined in WFA's posted check acceptance policy.

FINANCIAL POLICY

Insurance Copays
Insured patients must present an insurance card at each visit to determine any changes in insurance eligibility or copay assignments. All insurance copayments are due and payable upon arrival for your appointment.

Prepayment
The patient portion of financial responsibility is due prior to the scheduling of a surgery or procedure. This includes outstanding deductibles, coinsurance and the cost of any service exempted from your insurance coverage. We recognize that determining expected out-of-pocket expenses can be complicated and have personnel to assist you. Based on the information provided by your insurance carrier(s), we will determine the payment expectations. Any credit on your account will be refunded from the carrier's final payment.

Patient Statements
Patient statements are generated and mailed each month on all accounts with an outstanding patient balance. All statement balances are due in full on or before the 20th of the following month unless a formal payment plan has been negotiated and signed. Partial payments will be applied to the patient's account; however, the acceptance of partial payments will not automatically establish a payment plan of any kind and may result in the initiation of our collections process.

Check Acceptance Policy
NSF checks are automatically reprocessed with the addition of a $25 processing fee. In addition to the processing fee, the patient account will be charged with any additional bank charges as well as any additional administrative costs associated with the collection and processing of the returned check.

Referrals
If your insurance carrier requires a referral from your primary care physician (PCP), it is your responsibility to have your PCP obtain the referral prior to your scheduled clinic visit. We will assist you by tracking your referrals, but request your participation and cooperation as necessary.

Medical Records
Medical records sent to third parties at your request require a $30 payment for the first 20 pages and $0.15 per additional page. A Medical Records Release Form authorizing the release of your information must be signed prior to the release of information to a third party. Please allow 14 days for medical records to be prepared.

Non-Standard Insurance Forms
The completion and filing of personal insurance claims forms (FMLA, AFLAC,etc..) follows receipt of a $25 Form Completion Fee. Please allow 14 days for forms to be completed, signed and mailed after payment has been received. Each additional form request is treated and billed individually.

Collection Agency
We retain the service of an outside Collection Agency for recovery of delinquent balances. We reserve the right to attach all additional fees associated with any effort toward collecting the delinquent account balance in its entirety including, but not limited to, attorney fees, court costs and collection fees imposed by a collection agency (43% of original balance), associated with any effort. By signing below you authorize Waco Foot & Ankle to contact you via current and future cellular phone numbers, email addresses, or wireless devices regarding your delinquent accounts owed to Waco Foot & Ankle or to receive general information from Waco Foot & Ankle. You also authorize its agents, representatives, collection agencies and attorneys to use automated telephone dialing equipment and artificial or pre-recorded voice messages and personal calls, in their effort to contact you for purposes of collecting any portion of your account which is past due. You understand that you may withdraw your consent to call your cellular number by submitting your request in writing to Waco Foot & Ankle or its agents.

I have read, understood and agree with the above policy statement.

Credit Card On File Program

Waco Foot & Ankle, like many healthcare facilities, has been greatly impacted by the implementation of the Patient Protection and Affordable Care Act (PPACA). The PPACA has caused insurance deductibles to rise to extremely high levels as well as co-insurance coverage to drop. With these two changes we are seeing increasing amounts and higher percentages of our charges for services placed on our patients. We understand most patients have also seen changes in their insurance in the form of additional coverage limitations and higher monthly premiums. Unfortunately, many patients are finding it difficult to manage the increasing financial obligation imposed by their insurance leaving many bills unpaid, therefore we are asking patients to secure their account with a credit card. Our Credit Card on File Program is a safe and reliable mechanism that will help ensure that the negative impact of PPACA does not affect your credit worthiness or limit your healthcare choices in the future.

Co-Insurances and/or Deductibles – These amounts are determined after your insurance company has completed processing your claim. At that time, if a balance remains on your account, monthly statements will be sent. You will have 90 days to pay the charge using any method of payment you choose. If, after 90 days, the charge remains on your account, your credit card will be charged the portion of your balance that has aged beyond 90 days.

Our Credit Card on File Program is safe and secure. Once stored in a secure transaction vault, your credit card information will not be physically accessible and your account number will be exchanged for a token number that is only usable in our officce. This is safer than a standard credit card transaction. The program is designed to be a convenience for you to keep your account current and prevent you from being turned over to a collection agency.

This will not compromise your ability to dispute a charge or question your insurance company's determination of payment.

****PLEASE NOTE:** If the Credit Card provided expires, becomes invalid, or lacks sufficient funds, it will be required that you update your Credit Card on File information and/or pay your balance in full in order to reschedule with your provider.

If you have any questions about this payment method, do not hesitate to ask.
